1.	<u>Welcome</u> The Chairman opened the May meeting with apologies for the late start due to the over run of the Annual Town Council meeting. He welcomed Mr Pratt Deputy Crime Commissioner, PCSO Morley and members of the public.
2.	<u>Apologies</u> Cllr Pollington this was accepted. The Chairman also noted the resignation of Ms S Burns.
3	<u>Disclosure of Pecuniary Interest and Non-Pecuniary Interest</u> None.
4.	<u>Presentation from Deputy Crime Commissioner Mr Pratt</u> Mr Pratt thanked the Town Council for his invitation and introduced PSCO Morley who was also in attendance. He gave a brief background to his role as Deputy Crime Commissioner and informed of five key priorities, which had been identified as 1) Anti-Social behaviour, 2) Domestic abuse and violence, 3) Rape and serious sexual assault, 4) Serious and organised crime, 5) Dangerous driving. He himself has two major responsibilities these were reported as being 1) helping victims of crime (very dedicated) 2) On the Criminal Justice Board (working as best as it can following the pandemic, still working with a covid backlog. Some courts had been closed and Preston Courts had now become the principles courts). He reported that recently Lancashire had been provided with an additional 2 million pounds to help with crime prevention. The Town Council had provided some questions that Mr Pratt discussed with

the members; these were: -

1. In the light of history of traffic issues at Runnel Brow bridge, could we ask for your views on issues from a Health and Safety aspect?
Very well sign posted, spid in the location both will help slow any traffic, identified a noise issue with traffic beeping their horns before going over the bridge, 18-ton weight restriction. Offered to provide details of a link for data regarding collisions in Lancashire and also suggested borrowing a Spid to provide traffic data, will provide contact details.
2. We have a new road in Burscough which has been badly designed around Chancel way. Can you advise if there is anything that can be done regarding this issue? *Cllr Bailey suggested that this question was irrelevant due to the fact the road had not been adopted by Lancashire County Council.*
3. Could you provide some information regarding Community Safe Initiative? *Funding is available if the TC can provide an initiative, Mr Pratt will send a link for consideration.*
4. How should the Town Council report anti-social behaviour for best outcomes within Burscough? *Either dial 101, through the police website or report online anonymously to crime stoppers.* The TC reported that 101 is never available and the website is hard to navigate. PCSO Morley provided leaflets about Talking Lancashire / In the Know which the TC is already a member.
5. Is there a PCSO allocated to Burscough? If so, could we have contact details? *Our contact details are PCSO Morley who also covers Burscough/Scarisbrick/Augton. She has access to a car.*
6. On the contact website, there appears to be no assigned Police officer for Burscough, why is this? Our Police officer is PC Fiona Rowe. Information regarding crime figures can be found online, it was agreed for Cllr Sargent to look at the data and report to the TC meeting on a quartley basis.
7. Despite the evidence in the Police report from PC Connolly, including a previous closure notice, several breaches of licensing conditions, the use of drugs, and the licensee's refusal to use door supervision, why did the Police offer no further objection at the WLBC Licensing Sub-Committee meeting on the 17th of April? *Mr Pratt informed that WLBC Licencing Committee make the decisions regarding all licences. He offered to gather more information from PC Connelly and WLBC.*

8. Some residents complained and made comment regarding a recent Licence Application, but withdrew as they felt under pressure as applicant was provided with names and addresses of the complainants. Do you think this law should be changed to allow anonymity in such situations to stop harassment and intimidation of members of the public? *He reported that comments have to be open and transparent and therefore he assumed this information should be in the public domain, he offered to make enquiries regarding the concerns.*

5. To receive any issues raised by members of the public

Members of the public were in attendance but did not make comment.

6. To receive comments from County and Borough Councillors
